4. Chapter: A&P 16 Neurological MCQ Exam

1. A&P 16 Neurological MCQ Exam Questions

4.1.1. Which major section of the neurological exam is most likely to reve...

Author: OpenStax College

Which major section of the neurological exam is most likely to reveal damage to the cerebellum?

Please choose only one answer:

- cranial nerve exam
- mental status exam
- sensory exam
- coordination exam

Check the answer of this question online at QuizOver.com:

Question: [Which major section of the neurological OpenStax College Anatomy](#)

Author: OpenStax College

Which of the following could be elements of cytoarchitecture, as related to Brodmann's microscopic studies of the cerebral cortex?

Please choose only one answer:

- connections to the cerebellum
- activation by visual stimuli
- number of neurons per square millimeter
- number of gyri or sulci

Check the answer of this question online at [QuizOver.com](http://www.quizover.com):
